

U.S. EPA National Enforcement Training Institute

Presents ARB Course #410

Basic Inspector Training Course Fundamentals of Environmental Compliance Inspections

October 18-20, 2005

This course is designed for new federal, state and local environmental inspectors. The course provides an overview of all aspects of inspection preparation, conduct, and follow-up. Students will practice basic inspection techniques through mock simulations and they will be provided with reference materials and advice as they proceed through the simulation.

October 18-20, 2005
Cal/EPA Headquarters
1001 I Street
Training Room 5, Fifth Floor
Sacramento, CA 95814
8:30 am – 4:30 pm each day
Class size is limited, enroll early.
